Kamloops RCMP Youth Academy

This program is designed for the participation of 20 high school students aged 16 to 18 years, as of March 18, 2024, who are interested in police work or law enforcement as a possible future career.

This year's RCMP Youth Academy will be held at Brocklehurst Middle School in Kamloops during Spring Break.

The students that successfully complete each phase of the selection process will attend the Academy and experience a variety of activities that a police cadet would experience but in a capsulated format. This program is designed to place students in an RCMP Training Academy environment. Students will receive instruction and lectures in law, police tactics, social skills, physical training, self-defense, and a variety of other topics. They will be involved in a great deal of role-playing scenarios where they will take on the role of a police officer. They will be required to work in a team and partake in all the planned activities.

Meals, lodging, and stationary will be supplied. There will be a tuition cost per student. A list of academy rules will be supplied to the successful candidates and any student not complying with these rules will be dismissed from the Youth Academy and sent home at their own expense.

This academy is an excellent learning experience but will be extremely challenging, both mentally and physically. If you have any questions, please contact:
